Parking

Parking will be available at the race site. All cars must be parked by 7:45 AM. There will be signs and volunteers directing traffic to the parking area.

Pre-Race Meeting

A pre-race meeting will be held at 6:00 PM on Friday, August 15th in the Main Lobby (near packet pick-up in the main lobby). We will cover as many details as possible about the race and questions will be encouraged. This meeting should last about 30 minutes - we encourage everyone to attend as there will be no race instructions given at the swim start location race morning.

Chip Pick Up 6-7:30am

Timing chips will be picked up race morning. **You will be required to show your run number to the folks handing out timing chips in order to get your timing chip.**

NOTE: All timing chips must be picked up by 7:30 AM. If you lose your timing chip, you will be charged a \$30 replacement fee.

*Timing chips will be distributed near packet pick-up. Regardless of what time you start the race, you must pick up your timing chip by 7:30 AM.

*Make sure you receive the correct timing chip. Your chip is the same as your run number.

You will wear this chip on your left ankle – attached to you ankle using a disposable plastic medical strap. Attach the chip to the disposable medical ankle strap and attach the strap to your left ankle - leave 1-2 fingers space between your ankle and the strap. Too Loose: It could fall off and you'll be charge a replacement fee for the lost chip. Too Tight: It will become uncomfortable as your ankle will swell a little during the race. When you get it adjusted just right, make sure that the band snaps shut. You will hear the band snap into its closed position when it is secured properly.

Volunteers will cut off your strap and remove your timing chip as soon as you cross the finish line.

We will have Velcro straps for the timing chips for sale at packet pick if you would rather use that.

Race Numbers

You will be issued 3 numbers at packet pick up.

1. The square number is your run number and must be displayed on the front of your body during the run segment of the race only. Safety pins will be available at packet pick-up if you don't have a race number belt.
2. The long number (actually containing your number twice) is your bike frame number. This number is self-adhesive and will be folded over the top tube of your bike frame.
3. The small number is your helmet number. It also has an adhesive backing to it. This number should be attached to the front of your bike helmet.

*Do NOT cut or alter your numbers in any way.

Body Marking 6-7:30am

All participants must be marked at the body marking area – located near the packet pick-up location beginning at 6:00 AM. Participants must be marked by 7:30 a.m.

Swim Temperature Information

The water temperature will be announced on the Jones Racing Company website on Thursday, August 14, 2014 by 9PM. It will also be announced at the swim start location on race morning. The official water temperature reading will be taken on race morning and announced at Packet Pick-up. USAT rules will apply as far as wetsuit usage is concerned. If the water temperature is 78 degrees or lower, wetsuits may be worn. If the water temperature is 79-83 degrees, wetsuits may be worn, but people opting to wear one will not be eligible for awards or USAT ranking points. If the water temperature is greater than 84 degrees, wetsuits will not be allowed.

Swim Course

- Swim diagram is available on the Stonewall Jackson Triathlon event page on our website and will also be displayed at packet pick-up
- This will be a wave start:

Wave	Age Group/Category	Start Time	Swim Cap
1	All Male Age Groups Clydesdales Masters Clydesdale	8:00 AM	Sky Blue
2	All Female Age Groups Athenas Relay Teams Aquabike	8:05 AM	Yellow

- The lake will be open from 7:30 AM to 7:50 AM for warm-up.
 - Once the race starts the lake will not be available for warm-up swims.
 - Be prepared to line up for the swim start a minimum of 5 minutes before your starting time.
 - Wetsuits will be allowed if the water temperature is 78 degrees or lower – per USAT rules. If the water temperature is 79 – 83 degrees, participants may choose to wear a wetsuit – however, they will not be eligible for awards and they will not receive USAT ranking points and will show up in the results as DQ'd.
 - There will be a variety of watercraft on the swim course during the event. If you feel it's necessary and you need some assistance, roll onto your back and wave your hands above your head.
-

Transition Area

- ONLY PARTICIPANTS ARE ALLOWED IN THE TRANSITION AREA AT ANY TIME.
- The transition area will have four entrances/exits that will be clearly marked by large inflatable archways:

Swim Finish

Bike Start

Bike Finish

Run Start

- Once you are racing, make sure you come in and out of the transition area through the appropriate inflatable archway. If you're finishing the swim and heading into the transition area to start the bike, make sure you run through the inflatable archway that reads "Swim Finish." The inflatable archway next to that one will be for "Run Start," so you don't want to run through that one. At the other end of the transition area will be the "Bike Start" and "Bike Finish" archways.
- All participants will have their own numbered bike slot. Find your numbered bike rack and then find your specific space on that rack. You'll notice that half the numbers on the bike rack face one direction and the other half face the other direction. Place your bike on the rack centered on your number. If the number is upside down when you look at it, you're on the wrong side of the rack. This will allow more space between bikes for placing your gear. Each rack accommodates six bikes – three on one side and three on the other side.
- No bike storage the night before the race.
- Only the race participant will be allowed to remove his/her bike from the transition area.
- Participants will not be allowed to mount bikes inside the transition area – and will be made to dismount at transition area entrance following the bike segment.
- **IF YOU'RE NOT ACTUALLY RACING AND YOU'RE IN THE TRANSITION AREA BECAUSE YOU'VE EITHER JUST FINISHED THE RACE OR YOU HAVEN'T STARTED YET, PLEASE BE COURTEOUS TO YOUR FELLOW COMPETITORS. REMEMBER, YOU WOULDN'T LIKE IT IF SOMEONE GOT IN YOUR WAY WHILE YOU WERE RACING. THIS MEANS – DON'T STAND IN THE AISLES TALKING!**

Bike Information

- Bike course map is available on the Stonewall Jackson Triathlon event page on our website and will also be on display at packet pick-up

- No headphones, earphones or any radio-type devices will be allowed.

Relay Teams

- The swimmer will be given an index card at packet pick up that they can use to pick up the timing chip in the morning OR the runner can show the run number.

Spectator Information

- Spectator are welcome at the event. You will be allowed everywhere except in the finish line chute and the transition area.
- There are ample places around the transition area and finish line to see a lot of the event. You will be able to watch the swim, then walk over to the finish line. Please be aware of the event as you walk around. There will be athletes heading out on course and there's nothing worse than a collision with a spectator because people aren't paying attention.

Volunteer Information

We welcome volunteers. If you arrive at the event and wish to volunteer, simply go to the volunteer check in tent. Our staff will let you know where help is needed.

Results

Results will be posted continuously throughout the race on a 47 inch TV. Official results with splits will be posted within a few hours of the race finishing at: www.jonesracingcompany.com/2014-results.

HAVE A GREAT RACE!
