Parking

Parking will be located at the Reeves Community Center. Follow the parking volunteers when you arrive.

Pre-Race Meeting

A pre-race meeting will be held at the race site at 4:30 PM on Saturday (4/18). It is highly recommended that you attend this race orientation meeting. There will be NO pre-race instructions provided on race morning. If you can't attend the 4:30 PM Saturday pre-race meeting, please make sure you read through this race information document thoroughly.

Chip Pick Up 6-7:30am

Timing chips will be picked up race morning. **You will be required to show your run number to the folks handing out timing chips in order to get your timing chip.**

NOTE: All timing chips must be picked up by 7:30 AM. If you lose your timing chip, you will be charged a \$30 replacement fee.

*Timing chips will be distributed in the Reeves Community Center (Packet Pick-up location). Regardless of what time you start the race, you must pick up your timing chip by 7:30 AM.

*Make sure you receive the correct timing chip. Your chip is the same as your run number.

You will wear this chip on your left ankle – attached to you ankle using a disposable plastic medical strap. Attach the chip to the disposable medical ankle strap and attach the strap to your left ankle - leave 1-2 fingers space between your ankle and the strap. Too Loose: It could fall off and you'll be charge a replacement fee for the lost chip. Too Tight: It will become uncomfortable as your ankle will swell a little during the race. When you get it adjusted just right, make sure that the band snaps shut. You will hear the band snap into its closed position when it is secured properly.

Volunteers will cut off your strap and remove your timing chip as soon as you cross the finish line.

We will have Velcro straps for the timing chips for sale at packet pick if you would rather use that.

Race Numbers

You will be issued 3 numbers at packet pick up.

1. The square number is your run number and must be displayed on the front of your body during the run segment of the race only. Safety pins will be available at packet pick-up if you don't have a race number belt.
2. The long number (actually containing your number twice) is your bike frame number. This number is self-adhesive and will be folded over the top tube of your bike frame.
3. The small number is your helmet number. It also has an adhesive backing to it. This number should be attached to the front of your bike helmet.

*Do NOT cut or alter your numbers in any way.

Body Marking

6-7:30am

All participants must be marked at the body marking area – located inside the Reeves Community Center near the Packet Pick-up area beginning at 6:00 AM. Participants must be marked by 7:30 a.m.

Swim Information

Swim start times will be posted on the Tri Mayberry web page by Thursday, April 16, 2015 by 9:00 PM. They will also be posted on race morning at packet pick-up. Every participant will have their own swim start time. **Remember your exact start time!!**

NOTE: Swim start times will NOT change for ANY reason.

The water temperature in the Reeves Community Center pool is kept at approximately 80 degrees. Wetsuits are allowed, however we strongly discourage them at pool swim events.

Swim Course

- Swim diagram is available on the Tri Mayberry webpage and will also be displayed at packet pick-up
- Swim start times will be posted on a separate link on our website (beginning at 9PM on Thursday – 4/16).
- There will be NO changes to swim start times.
- The pool will be open from 7:30 AM to 7:50 AM for warm-up.
- Once the race starts, there will not be any swim warm ups allowed.
- Be prepared to line up for the swim start a minimum of 10 minutes before your starting time.
- Participants will go off individually in 15-second increments.
- When lining up for the swim – remember your specific swim start time

Transition Area

- ONLY PARTICIPANTS ARE ALLOWED IN THE TRANSITION AREA AT ANY TIME.
- The transition area will have five entrances/exits that will be clearly marked by large inflatable archways:

Swim Finish

Bike Start

Bike Finish

Run Start

Transition Area Entrance/Exit

- Once you are racing, make sure you come in and out of the transition area through the appropriate inflatable archway. If you're finishing the swim and heading into the transition area to start the bike, make sure you run through the inflatable archway that reads "Swim Finish." The inflatable archway next to that one will be for "Run Start," so you don't want to run through that one. At the other end of the transition area will be the "Bike Start" and "Bike Finish" archways.
 - Once the race starts at 8AM – the only entrance that you will be able to use (unless you've started the race and you're racing) will be the large "Transition Area Entrance & Exit" inflatable. This will allow people to enter and exit the transition area without disrupting the race.
 - All participants will have their own numbered bike slot. Find your numbered bike rack and then find your specific space on that rack. You'll notice that half the numbers on the bike rack face one direction and the other half face the other direction. Place your bike on the rack centered on your number. If the number is upside down when you look at it, you're on the wrong side of the rack. This will allow more space between bikes for placing your gear. Each rack accommodates six bikes – three on one side and three on the other side.
 - No bike storage the night before the race.
 - Only the race participant will be allowed to remove his/her bike from the transition area.
 - Participants will not be allowed to mount bikes inside the transition area – and will be made to dismount at transition area entrance following the bike segment.
 - **IF YOU'RE NOT ACTUALLY RACING AND YOU'RE IN THE TRANSITION AREA BECAUSE YOU'VE EITHER JUST FINISHED THE RACE OR YOU HAVEN'T STARTED YET, PLEASE BE COURTEOUS TO YOUR FELLOW COMPETITORS. REMEMBER, YOU WOULDN'T LIKE IT IF SOMEONE GOT IN YOUR WAY WHILE YOU WERE RACING. THIS MEANS – DON'T STAND IN THE AISLES TALKING!**
