Chip Pick Up 12-1:30pm

Timing chips will be picked up race day. **You will be required to show your run number to the folks handing out timing chips in order to get your timing chip.**

NOTE: All timing chips must be picked up by 1:30 PM. If you lose your timing chip, you will be charged a \$30 replacement fee.

*Timing chips will be distributed in HFFA (next to packet pick-up). Regardless of what time you start the race, you must pick up your timing chip by 1:30 PM.

*Make sure you receive the correct timing chip. Your chip is the same as your run number.

You will wear this chip on your left ankle – attached to you ankle using a disposable plastic medical strap. Attach the chip to the disposable medical ankle strap and attach the strap to your left ankle - leave 1-2 fingers space between your ankle and the strap. Too Loose: It could fall off and you'll be charge a replacement fee for the lost chip. Too Tight: It will become uncomfortable as your ankle will swell a little during the race. When you get it adjusted just right, make sure that the band snaps shut. You will hear the band snap into its closed position when it is secured properly.

Volunteers will cut off your strap and remove your timing chip as soon as you cross the finish line.

We will have Velcro straps for the timing chips for sale at packet pick if you would rather use that.
